SUMMARY

Results-oriented Financial Analyst with a strong foundation in budgeting, performance analysis, and financial planning. Possess an MS in Finance from the University of Bridgeport. Real-world experience in forecasting, KPI analysis, and financial modeling acquired through internships as well as leadership roles. Trained on Bloomberg Market Concepts (BMC) as well as industry-standard job simulations in investment banking and financial analysis. Proficient in MS Excel, Power BI, and analytical models to deliver data-driven insights and inform strategic decisions. Seeking a financial planning & analysis (FP&A) or corporate finance role to assist with driving organizational growth.

WORK EXPERIENCE

CROTONA PARK PHARMACY INC., Bronx, NY

Financial Reporting and Bookkeeping Intern

Jan 2025 - Apr 2025

- Prepare and analyze financial reports.
- Managed bookkeeping activities in spreadsheets, ensuring accurate journal entries, reconciliations, and organized financial recordkeeping.
- Supported budgeting, forecasting, and monthly variance analysis to aid management decision-making.
- Analyzed expenses and revenue reports to identify opportunities for cost savings and growth.

PREDICA INC., Southfield, MI

Financial Analyst Intern

May 2024 - Aug 2024

- Conducted financial analysis of 12 companies from three different industries, comparing the key performance indicators and industry benchmarks.
- Analyzed and computed financial ratios (efficiency, solvency, profitability, and liquidity) to quantify firm performance and financial health.
- Developed detailed financial reports in MS Excel and Power BI, leveraging data visualization tools to efficiently present insights.
- Made data-driven suggestions to enhance the operational effectiveness, profitability, and financial health of the companies under analysis.
- Assisted in developing an automated financial analysis program that enables small businesses to upload financial data and receive real-time performance analysis and strategic consultation.

STUDENT EDUCATIONAL WELFARE ASSOCIATION, U.P., India

Dec 2021 - Jun 2023

Financial Planning & Analysis Lead | Board Member

- Responsible for financial planning, budgeting, and forecasting education-driven initiatives affecting more than 1,000 students.
- Created and tracked multi-year financial models to forecast program sustainability and maximize the allocation of funds.
- Constructed quarterly financial reports and oversaw end-to-end reporting for internal audit purposes and external donors.
- Led cost-benefit analysis per student initiative, enhanced return on donations by 18% and lowered operational overheads.
- Directed fundraising strategy, increasing annual gifts by over 40% through stewardship and financial openness.
- Directed a team of 20+ core staff and 50+ volunteers to fiscal compliance and maximum resource utilization.
- Helped stakeholders to align financial objectives with organizational purpose, allowing for more concentrated and effective delivery of programs.
